

Rack Installation Guide.

Your rack will need to be assembled before installation. You will receive it as shown below.

Step 1. Install the “leg supports as shown with the Allen screws and nuts provided.

Step 2. Here is a picture from the backside showing the legs attached to the inside of the rack.

Step 3. Mount the front of the rack to either the seat post bolt or if your bicycle has provisions, mount as we have in the picture below.

Step 4.

Step 5. Once your rack is fitted tighten all bolts. Viola.. You are finished.
